

Set Your Sprinklers TO Save!

Do you ever see a neighbor's sprinkler system on when it's raining? Sometimes people neglect to reset their automatic sprinkler timers according to the weather and seasons. During summertime, set your timer to water only in early morning or early evening and in winter reset your timer when it rains. These easy steps can save a lot of water and that will be a "Nice Save!" Water is a limited resource and we all need to do our part to reduce water use by 20 percent by 2020!
